# 4 Hours Texas Cosmetology Continuing Education

4 CREDIT HOURS  
REV. 03/15

## DESCRIPTION

The State of Texas has mandated that most salon professionals complete continuing education in order to renew their licenses.

This course is designed for all Texas salon professionals required to complete continuing education.

## OVERVIEW

- ✓ Health and Safety Definitions.
- ✓ Texas Cosmetology Law
- ✓ Texas Cosmetology Administrative Rules
- ✓ Describe what are hair, skin & nails, and its parts.
- ✓ Learn about their structures and chemistry compositions.
- ✓ Get familiar with the disorders affecting the hair, scalp, skin and nails.
- ✓ Describe what pH is and how it affects the hair and skin.
- ✓ Learn Chemistry as related to the hair, skin and nails and their products.
- ✓ Get familiar with the products used in the care of the hair, scalp, skin and nails.
- ✓ Overview of hair coloring theory and procedures including the color wheel.

## REQUIREMENTS

### Time Based

- ✓ The licensee must spend at least **4 hours** in the course.
- ✓ This course is **based on time** expended on each Lesson.
- ✓ The requirement is you have to spend a certain amount of minutes on each Lesson.
- ✓ Each Course Chapter is a **group of Lessons**. What you are going to read are the Lessons.
- ✓ You won't be able to advance to the next Lesson if you don't spend the required time on each Lesson.
